

EIT Culture & Creativity

A transformative journey

We envision culture and creativity leading sustainable value creation and growth for Europe's green, digital and social transformation.

Our mission is to make it possible.

Impact goals by 2027

Subject to changes and approval by EIT

Accelerating change

Three areas with high market growth potential, and high environmental and social impact challenges.

Fashion & Design

Architecture & Heritage

Audiovisual & videogames

EIT Culture & Creativity orchestrates and supports

- Novel higher education **academic programmes and lifelong learning courses**.
- **Innovation projects** that will bring new products and services to markets.
- Businesses and ventures in their **startup** phase or navigating their **scale up** ambition.
- Initiatives addressing **social and environmental challenges**, while cultivating cultural identities and values, and social cohesion.
